🎂 Date of Birth: 9 July 1980 | Age: 44 | Female

Objective

Innovative and detail-oriented **Fashion Designer** with over 20 years of experience in the fashion industry, currently working at **Biba**. Specializing in **Textile & Fabric Research**, **Costume Design for Film & Theatre**, and **E-Commerce Fashion Strategy**, with a unique academic foundation in **Biomedical Science**. Known for combining scientific understanding of materials with artistic flair to create functional, sustainable, and visually striking fashion pieces.

Education

M.Sc. in Biomedical Science
Madras University, Chennai
Graduated: **May 2003**

- Conducted research on fabric interaction with sensitive skin and eco-toxic materials in fashion.
- Bridged science with design for fabric innovation and wearability.

Diploma in Fashion Design & Costume Technology
National Institute of Fashion Technology (NIFT), Bangalore
Completed: **2005**

- Specialization: Pattern Making, Draping, Fashion Illustration
- Final project: **"Modern Traditions – Reimagining Ethnic Wear for the Contemporary Woman"**

Professional Experience

Senior Fashion Designer

Biba Apparels Pvt. Ltd.
April 2007 – Present

- Led the design of over 150+ ethnic collections, integrating traditional motifs with modern cuts.
- Designed exclusive costume lines for theatre productions, ad films, and regional cinema.
- Developed e-commerce-centric collections optimized for visibility, engagement, and online sales.
- Managed seasonal lookbook creation, from concept to editorial shoot coordination.

- Supervised accessory design projects, including handbags, scarves, and jewelry for brand collabs.

Freelance Costume Designer

2005 – 2007

- Designed costumes for regional theatre troupes and independent short films.
- Specialized in textile storytelling through layered drapes and thematic color palettes.
